

MR. ROGERS, EXAM. BY MR. C. CAMPBELL

1 conclusion that I was under pressure from the Prime
2 Minister or the Prime Minister's Office with respect to
3 supporting this project. In fact, my testimony, I
4 believe, reads entirely to the contrary.

5 COMMISSIONER I would certainly concur with -- my
6 interpretation of your evidence, Mr. Rogers.

7 A. Thank you, Mr. Commissioner.

8 MR. COLIN CAMPBELL And the second matter, Mr. Rogers.
9 There's been an indication in the media that some of the
10 objection to the Westray proposal insofar as you were
11 involved may have been technical as opposed to budgetary,
12 and could you just make sure that the Commission has your
13 views on that aspect?

14 A. Yes, again, referring to the testimony I gave
15 yesterday, I don't believe there's any construction that
16 can be placed on that testimony that would suggest that
17 we had technical misgivings.

18 Q. Thank you. Those are my questions for now, sir.

19 COMMISSIONER Thank you. Okay, Mr. Wells?

20 MR. WELLS Thank you.

21 EXAMINATION BY MR. WELLS

22 MR. WELLS Mr. Rogers, yesterday in your testimony you
23 mentioned that there was some consideration given to the
24 health and safety, when you were studying the proposal,
25 that you understood it would be the Provincial
