

MR. CAMERON, EXAM. BY MR. WELLS

1 you were already, would you not agree it would be much  
2 harder for them to do that?

3 A. If the Minister was trying to put something through  
4 radical --

5 Q. Radically different.

6 A. -- than the present situation?

7 Q. Than the present situation.

8 A. Well, sometimes yes and sometimes no, depending on  
9 what it was. My approach was you try to do what is right  
10 and let everything else take care of itself.

11 Q. Are you aware that in 1988 the -- after a lot of  
12 negotiations, the WHMIS regulation was made law? And, in  
13 the process of WHMIS, it was a tripartite working group  
14 made up of every province and employers and the employees  
15 of this country and that Nova Scotia was the only  
16 province that deviated from the final text of that  
17 regulation?

18 A. No, I wasn't aware of that.

19 Q. You weren't aware --

20 A. No.

21 Q. -- that they put in a Trade Secrets Act to help  
22 industry in this province, possibly at one special  
23 industry in this province?

24 A. What industry was that? That might help me.

25 Q. Well, it's -- of course, it doesn't say it in the
