

MR. CAMERON, EXAM. BY MR. HEBERT

1 before. And I'm glad that you clarified that. But  
2 beyond that, you indicated --

3 A. Well, if you can defend --

4 Q. -- you --

5 A. -- changing methane meters and pressing reset  
6 buttons, that's fine.

7 Q. -- you --

8 A. I can't. I say it's wrong and it's important --

9 Q. Certainly.

10 COMMISSIONER That's in evidence.

11 A. -- is important evidence.

12 COMMISSIONER That's in evidence --

13 MR. HEBERT That's in evidence.

14 COMMISSIONER -- Mr. Cameron.

15 MR. HEBERT Now you've urged me to read certain  
16 statements and my question to you is have you read the  
17 testimony of Mick Franks here at the Inquiry?

18 A. The testimony?

19 Q. Yes.

20 A. Probably not. I've read his --

21 Q. All right.

22 A. -- interview by the Inquiry, though, which I find --

23 Q. Okay, thank you.

24 A. -- very interesting.

25 Q. You haven't read his sworn testimony?
